CERTIFIED PUBLIC ACCOUNTANTS INDEPENDENT AUDITORS' REPORT

**Board of Directors
Sedgwick County Area Educational Services Interlocal Cooperative
Goddard, Kansas**

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas**, as of and for the year ended **June 30, 2015**, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1 to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Education
Sedgwick County Area Educational Services Interlocal Cooperative

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in Note 1 of the financial statement, the financial statement is prepared by **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas**, to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

**SEDGWICK COUNTY AREA EDUCATIONAL SERVICES INTERLOCAL COOPERATIVE
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2015**

Note 1 - Summary of Significant Accounting Policies:

Financial Reporting Entity

Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas, represents a cooperative established under State of Kansas statutes. The Cooperative was formed July 1, 1981 through an agreement of nine Kansas Unified School Districts (Burrton, Cheney, Clearwater, Conway Springs, Goddard, Maize, Renwick, Sedgwick, and Valley Center) located in and around Sedgwick County, Kansas to meet special education requirements at the primary and secondary levels. The Cooperative is governed by a Board of Directors comprised of one member from each member district. The Cooperative's financial statement includes all funds over which the Board of Directors exercises financial responsibility. Financial responsibility includes appointment of governing body members, designation of management, the ability to significantly influence operations and accountability for fiscal matters.

KMAAG Regulatory Basis of Presentation Fund Definitions:

Special Purpose Funds-To account for the proceeds of specific receipts (other than major capital projects) that are restricted by law or administrative action to expenditure for specific purposes.

Agency Funds-To account for resources held in a trustee or agency capacity for others which therefore cannot be used to support the government's own programs.

Regulatory Basis of Accounting and Departure from Accounting Principles Generally accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The Cooperative has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of accounting principles generally accepted in the United States of America and allowing the municipality to use the regulatory basis of accounting.

**SEDGWICK COUNTY AREA EDUCATIONAL SERVICES INTERLOCAL COOPERATIVE
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2015**

Budget and Assessment Cycle

The Cooperative prepares a budget under the Kansas cash-basis and budget laws to determine assessment to member districts and other financial planning purposes. Assessments are made in nine variable installments.

The Kansas cash-basis and budget laws permit transferring budgeted amounts between line items within an individual fund. However, such laws prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the modified accrual basis of accounting, modified further by the encumbrance method of accounting. Revenues are recognized when cash is received. Expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the Cooperative for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. All unencumbered appropriations (legal budget expenditure authority) lapse at year-end.

A legal operating budget is not required for the following special purpose funds:

Special Donation Fund
Trans-Net Activity Fund

Day School Activity Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

**SEDGWICK COUNTY AREA EDUCATIONAL SERVICES INTERLOCAL COOPERATIVE
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2015**

Note 2 - Defined Benefit Pension Plan:

Plan Description

The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, *et. seq.* KPERS provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERS (611 South Kansas Ave., Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Funding Policy

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. Effective July 1, 2009, KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate of 5% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. Member employees' contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

The State of Kansas is required to contribute the statutory required employers share.

Net Pension Liability

The total pension liability for KPERS was determined by an actuarial valuation as of December 31, 2013, which was rolled forward to June 30, 2014. As of June 30, 2014, the net pension liability for KPERS was \$8,291,794,910. KPERS has determined the District's proportionate share of the net pension liability is \$34,804,770 as of June 30, 2014. The complete actuarial valuation report including all actuarial assumptions and methods is publically available on the website at www.kpers.org or can be obtained as described in the first paragraph above.

Note 3 - Defined Contribution Pension Plan:

The Cooperative provides pension benefits for all full-time certified/licensed employees through an Internal Revenue Code Section 403(b) defined contribution plan. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The Cooperative contributes \$1,000 per employee per contract year and is prorated for employees who are employed less than a full contract year. Employees become vested at 10% following the sixth year of continuous employment. Vesting continues to increase by 15% each year until the employee is fully vested at the beginning of the 12th year of continuous employment with the Cooperative. The plan is administered by Security Benefit with oversight by the Cooperative Retirement Plan Oversight Committee which is comprised of three Board of Director appointees, three Special Services NEA appointees, and a representative of Security Benefit as an ex officio member.

Payments under the plan for the year ended June 30, 2015, were \$239,674.

**SEDGWICK COUNTY AREA EDUCATIONAL SERVICES INTERLOCAL COOPERATIVE
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2015**

Note 4 - Postemployment Benefits:

As provided by K.S.A. 12-5040, the Cooperative allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in the financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

Note 5 - Early Retirement Benefits:

The Cooperative has an early retirement plan for certified personnel. Personnel qualify if they have fifteen years of service with the Cooperative and are 55 years of age. Payments under the plan are computed by subtracting the base beginning salary amount for a new certified person with no experience from the base salary of the retiree in the year the retiree applied for retirement. The difference is multiplied by a percentage ranging from 37.5% to 75% based on the age of the retiree. Certified personnel with the Cooperative during 2006-2007 chose the benefits under this plan or the Employer Paid Defined Contribution Plan created effective January 1, 2008.

It is the policy of the Cooperative to record these benefits as expenditures when paid. No payments were made during the year under the plan.

Note 6 - Contingencies:

Grant Programs

The Cooperative participates in various federal and state grant programs. These grant programs are often subject to additional audits by agents of the granting agency, the purpose of which is to ensure compliance with the specific conditions of the grant. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

Risk Management

The Cooperative is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Cooperative carries commercial insurance for all risks of loss. Settled claims resulting from these risks have not materially exceeded commercial insurance coverage in any of the past three years.

Medicaid Payments

The Cooperative submits reports of time for providing medical services to children with disabilities to a third party. The third party reviews the reports and files claims for Medicaid reimbursement. Medicaid then pays the third party based on Medicaid's determination of allowed payment. The third party retains a percentage of the payment based on an agreement with the Cooperative and remits the remainder approximately monthly for the previous month's claims. Due to adjustments made by both the third party and Medicaid, the actual amount to be received by the Cooperative is undeterminable and has not been recorded. It will be recorded as received.

SEDGWICK COUNTY AREA EDUCATIONAL SERVICES INTERLOCAL COOPERATIVE
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2015

Note 7 - Compensated Absences:

All permanent full-time employees are eligible for vacation and/or sick leave benefits in varying annual amounts depending on position and length of service.

It is the policy of the Cooperative to record vacation and sick leave benefits as expenditures when paid.

Note 8 - Deposits:

K.S.A. 9-1401 establishes the depositories which may be used by the Cooperative. The statute requires banks eligible to hold the Cooperative's funds have a main or branch bank in the county in which the Cooperative is located and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Cooperative has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Cooperative's investment of idle funds to time deposits, open accounts and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Cooperative has no investment policy that would further limit its investment choices. The rating of the Cooperative's investments is noted above.

Concentration of credit risk. State statutes place no limit on the amount the Cooperative may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Cooperative's deposits may be returned to it. State statutes require the Cooperative's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2015.

At June 30, 2015, the Cooperative's carrying amount of deposits was \$4,460,937 and the bank balance was \$6,989,139. The bank balance is held by one bank. Of the bank balance, \$250,000 was covered by depository insurance, and the remaining \$6,739,139 was collateralized with securities held by the pledging financial institution's agent in the Cooperative's name.

Note 9 - Subsequent Events:

The Cooperative has evaluated subsequent events through December 2, 2015, the date which the financial statement was available to be issued.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITORS' REPORT

Board of Education

**Sedgwick County Area Educational Services Interlocal Cooperative
Goddard, Kansas**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas**, as of and for the year ended **June 30, 2015**, and the related notes to the financial statement, which collectively comprise **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** basic financial statement, and have issued our report thereon dated December 2, 2015. In our report, our opinion on the financial statement was unmodified based on the prescribed basis of accounting that demonstrates compliance with the *Kansas Municipal Audit and Accounting Guide* which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** internal control. Accordingly, we do not express an opinion on the effectiveness of **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

**Board of Education
Sedgwick County Area Educational Services Interlocal Cooperative**

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Our responsibility is to express an opinion on compliance for each of **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** major federal programs based on our audit of the types of compliance requirements referred to above. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

In planning and performing our audit, we considered **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **Sedgwick County Area Educational Services Interlocal Cooperative, Goddard, Kansas'** internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weakness may exist that have not been identified.
